JHS Holds College & Scholarship Application Night on 6/10 for Class of 2009

May 12, 2008

Word Count:

Jamestown High School will hold a “Strategies for Successful College and Scholarship Application” for all members of the JHS Junior Class and their parents on June 10, 2008 at 7 p.m. in the JHS Auditorium.

This program was previously presented during the school day and has been moved so that both parents and students can receive information critical to a student’s success in applying to college and scholarships. Each student will receive his or her junior/senior packet at this program.

Speakers from the Jamestown High School’s Guidance Department will cover:

- How to conduct a college search
- What makes you eligible for scholarship money and how to increase your scholarship potential
- A panel of 2007 and 2008 graduates will tell you what they did right and wrong
- When, where and how to search your search

Any questions, please contact Jamestown High School at 483-3470.
