

Dear Students/ Parents/ Guardians:

Let us first welcome you to Explore, a branch of Team Discovery. We are looking forward to September when we will make all of our introductions. On the first day of school we will be meeting in **ROOM # 3**. Don't be late.

The items you need for the first day are listed below.

- Pencils (36 pencils per student)
- One Box of Tissues
- Ten dollars (cash)

Let us explain. Instead of you purchasing all of those supplies that students think they need, we would like to have what they actually need ready to go the first day. The ten dollars will be used to provide folders, binders, paper and miscellaneous supplies for the year. Please let us do the shopping. **All binders and trapper-keepers not supplied by us will be sent home.**

We feel this year is going to be better than ever. Just have your children rested and ready in September. Then, with your help we will start the year off right.

Sincerely,

Explore Teachers
